

# Haja Faniry RAZAFIMAHENINA

FullStack Developer | Data Analyst | Communications & Design Specialist | Project Manager

A multidisciplinary background combining web development, data analysis, visual communication, graphic design, and creative project management. Comfortable working with both code and communication tools and strategies, with proven experience in designing impactful materials and coordinating communication initiatives. Skilled at translating technical or institutional needs into concrete, functional, and visually coherent solutions. Able to lead digital projects or communication campaigns in dynamic, collaborative, and user-focused environments.

- Canva

## PROFESSIONAL EXPERIENCE

### Digital Communications Assistant Feb 2026 – Present

Pasteur Network - *International Consultant*

Management of an international members' platform (1,000+ profiles), ensuring data quality and user activation. Coordination of digital communications and multi-channel content monitoring. Contribution to the website's technical and visual enhancements and to the dissemination of strategic content.

### Web Project Manager & FullStack Developer Feb 2022 – Dec 2025

Obiettivo - *Consultant*

Web project management, full-stack development (Angular / Node.js), interface design, database management, and technical oversight of deliverables.

### Graphic Design Consultant Nov 2020 – Dec 2021

SAF/FJKM, with UN Peacebuilding Fund Support - *Consultant*

Design of communication and awareness materials for the TANOMAFY-JAP peacebuilding project in Madagascar, including print and digital visuals adapted to diverse audiences.

### Java Spring Boot / Angular Developer Aug 2020 – Oct 2021

Madagascar Customs Directorate - *Internship*

Development of a complete HR management application using Angular for the frontend and Spring Boot for the backend. Integration of data from a centralized warehouse to automate reporting and internal processes.

### PHP CodeIgniter Developer / Graphic Designer Aug 2019 – Feb 2020

Madagascar National Parks - *Internship*

Developed interactive web applications with CodeIgniter to support park management. Designed communication materials with the infographics team, ensuring visual consistency.

## VOLUNTEERING EXPERIENCE

### Data Analyst Apr 2025 – present

World Organization of the Scout Movement (WOSM)

Analyzed global activity and event data to create interactive dashboards and key indicators. Supported strategic decision-making and impact communication through clear, accessible data visualization.

### Communications Coordinator Nov 2024 – Oct 2025

Africa Scout Region - 19th Africa Scout Conference

Led the overall communications strategy for the event. Coordinated media teams, produced multi-platform content (web, social media, print), and ensured real-time coverage before, during, and after the conference.

### Project Coordinator June 2023 – Dec 2023

Tily eto Madagasikara in partnership with Electoral Institute for Sustainable Democracy in Africa (EISA)

Coordinated a media education project in Boeny and Diana regions to strengthen citizens' critical thinking during the electoral period. Designed training modules and managed local implementation teams.

### Social Media Manager Sept 2022 – present

Tily eto Madagasikara

Managed and developed the organization's presence across social media platforms. Created content aligned with the movement's values and increased engagement within the scouting community.
